PROFESSIONAL EXPERIENCE

VITALYST, *Philadelphia, Pa.*

PRODUCTIVITY CONSULTANT / WEB DEVELOPER (October 2016 – Present)

Member of the Graphic Design Team that developed and maintained the company's Continuous Learning and Content Management websites. Worked closely with management and development teams to prioritize needs, resolve conflicts, and determine best solutions in frequently changing environments. Key responsibilities included all site coding, testing, debugging, and database maintenance. Post development of sites consists of rigorous testing across browsers, and devices, for compatibilities and inconsistencies.

Notable accomplishments:

- Developed CMS online portal, Continuous Learning Platform, business landing and information pages.

RIDDLE HOSPITAL, *Media, Pa.*

IMAGING TECHNICIAN (October 2004 – February 2017)

Used PAC's to assist doctors and patients in acquiring and viewing medical images. Maintained radiology records according to HIPPA compliance standards.
